

## VCE English Language Mini-Method

VATE’s Mini-Method program supports educators with the teaching of each of the VCE Englishes: **English, English as an Additional Language, Literature, and English Language**. Each Mini-Method is suitable for those teaching VCE Englishes for the first time, those looking for a refresher, and more experienced teachers who are seeking to understand the explicit differences between the former and new Study Designs and how this impacts their teaching practice.

### Registration

To support VATE members’ access to the 2024 Mini-Method program, all sessions will be available as **on-demand pre-recorded lectures** available to view on a device of your choosing at a time that is convenient for you. Each Unit will be explored across two 75-90 minute lectures relevant to each Area of Study. Details of how to access the lectures will be available at the time of purchase and access will be granted until **31 December 2024**. Online registration is **now open** on the [VATE website](https://www.vate.org.au).
